MUKESH PATEL SCHOOL OF TECHNOLOGY MANAGEMENT & ENGINEERING

Tanay Vipul Shah

B. Tech Integrated Computer Engineering Batch 2027

Date of Birth: 2005-09-07

Education

NMIMS University **2024-2027**
Bachelor's Degree in Computer Engineering
Cgpa: 3.28/4

NMIMS University **2021 - 2024**
Diploma
Cgpa: 3.35/4

Jamnabai Narsee School **2020 - 2021**
CISCE (ICSE/ISC): 92

Projects

College Buddy – Full Stack Web Application
• Developed College Buddy, a full-stack web application in a 4-member team enabling real-time communication for up to 10 concurrent users.
• Built core features including user authentication, profile management, swipe-based matching logic, and real-time messaging using modern web technologies.

QURE – Hybrid Cryptography Security Platform
• Developing QURE, a hybrid cryptography platform integrating RSA encryption with the post-quantum lattice-based algorithm CRYSTALS-Kyber to address emerging quantum computing security threats.
• Architected a multi-layer system consisting of a React frontend, Node.js/Express backend, and a Python-based cryptographic engine for secure key generation, encryption, decryption, and performance benchmarking.

FaceSense – Facial Recognition Attendance System
• Developed an AI-powered facial recognition attendance system using Python, OpenCV, DeepFace, and TensorFlow.
• Implemented automated face detection, dataset creation, identity verification, and attendance logging to improve accuracy and reduce manual effort.

Community Service – Volunteer Work
• Completed community service at Dynamic Welfare Sanstha from 28 April 2024 – 18 May 2024.
• Contributed to community support initiatives, assisting in organizing activities and coordinating with team members to support local welfare efforts.

Work Experience

Katalyst Reputation Management Social
Media Manager

- Managed and amplified the social media engagement for 4 premium Taj Group hotels and Julius Palladium on Instagram, Facebook, and X.
- Drove a consistent content calendar, deploying more than 10 unique posts weekly over a 3-month remote internship period.

Certifications & Publications

The Full Stack Web Development Udemy
- Earned a certificate upon successful completion of the Full Stack Web Development course.

Android App Development Course with Kotlin & Java Udemy
- Completed a foundational course in Android Application Development, mastering both Java and Kotlin programming languages.

AI in Action Virtual Experience Program – Vista Equity Partners (Forage)
• Completed a virtual experience program focused on prompt engineering and generative AI workflow automation.

Core Skills

Technical Skills

Programming: Java, Python
Frontend: HTML, CSS, JavaScript, React, Bootstrap, Tailwind CSS
Backend: Node.js, Express.js
Databases: MongoDB
Tools: Git, GitHub, Postman, Android Studio, VS Code

Non-Technical Skills: Teamwork, Communication, Adaptability, Time Management

Achievements and Positions of Responsibility

- Smart India Hackathon (SIH) – Ideathon Participation, Smart India Hackathon.
- Head – Social Media & Marketing, 4C (Cultural, Communication & Creative Club), Mukesh Patel School of Technology and Management .
- Head – Acting, Chitrarth Film & Drama Society, Mukesh Patel School of Technology and Management .
- Global Digital Literacy Certificate, Certiport.
- C. V. Raman, Sir C.V. Raman Science Talent Search Examination.
- Trinity College London – Graded Speech & Drama Examinations (Distinction), Trinity College London
